More Than A Memory is Book 1 in the Cottage Grove Series. Each book can be read as a standalone complete with a HEA. Other books in the Cottage Grove Series are: More Than A Fling and More Than A Friend.

Disappearing without a word, Eden Richardt fled from her naïve former life in Oregon to start anew in the Midwest. Being a morning radio show host, she's got a lot going for her except finding someone to share her life with. In that aspect, no one seemed to compare to the one. Having absolutely no desire to step foot back in her hometown of Cottage Grove, her decision was swayed with an invitation to her high school reunion and solidified after receiving a letter from her first and only love from her past.

Living his life the best way he knows how, Baylor Jenkins spends his time running the family plumbing business, after giving up his dream to be an Architect, and raising his almost teenage daughter solely without the help of his ex-wife. In the back of his mind he knows something was missing from his otherwise enjoyable life. But that something was actually a someone who disappeared after graduation; a former best friend turned lover.

Locking eyes after fifteen long years raises deep emotions and unanswered questions:

What happened to make Eden run?

Could their love for each other still exist?

Or will their past time together be nothing more than a memory?
