On Record: Files and Dossiers in American Life

On Record provides descriptive accounts of record keeping in a variety of important organizations: schools, from elementary to graduate school; consumer credit agencies, general business organizations, and life insurance companies; the military and security agencies; the Census Bureau and the Social Security Administration; public welfare agencies, juvenile courts, and mental hospitals. It also examines the legal status of records. The authors pose questions such as the following: Who determines what records are kept? Who has access to the records?
