The Ghosts Of Havana

Mike Dennis

The Ghosts Of Havana Mike Dennis

What if two murders, spaced nearly fifty years apart, turn out to be linked to a safe deposit box, whose contents hold the key to decades-old secrets and threaten national security?

The second exciting novel in Mike Dennis' Key West Nocturnes series, *The Ghosts Of Havana* is a tale of old vendettas that will not die. Mike Dennis continues to lift the veil off Key West, revealing it as a true noir city, on a par with Los Angeles, New Orleans, or Miami.

Here's what they're saying about *The Ghosts Of Havana*:

"Mike Dennis is a modern master of noir." -- MAX ALLAN COLLINS, author of *Road To Perdition*

"*The Ghosts Of Havana* opens on a chill winter night in Key West, where blood runs thick on the floor of a Duval Street nightclub. From that noir beginning, Mike Dennis takes us on a thrill ride to uncover a long hidden secret, a race against death. Dennis' staccato prose keeps the pages turning to the surprising ending. Unputdownable." --- JONATHAN WOODS, author of *Bad Juju & Other Tales of Madness and Mayhem*

"A relentlessly fast-paced conspiracy thriller...Mike Dennis does a terrific job of revealing the seamy side of Key West." -- HEATH LOWRANCE, author of *The Bastard Hand*

"The seamy, steamy side of Key West is the setting for Mike Dennis's well-crafted, hard-hitting, muscular action novel. Compelling, provocative, and tension-filled, *The Ghosts Of Havana* will leave the reader reeling." -- TOM PICCIRILLI author of *The Last Kind Words*
