The Scavenger's Guide to Haute Cuisine Steve Rinella

A hybrid of memoir, cookbook, and travelogue, and a love song to hunting and fishing and the American wild, *The Scavenger's Guide to Haute Cuisine* is about one man's quest to live off the land and recreate the recipes from Escoffier's *Le Guide Culinaire*, the 1903 magnum opus.

Nature writer Steven Rinella embarks on a yearlong journey across America, trying to locate the bizarre, often esoteric ingredient of *Le Guide Culinaire*. His adventures take him fishing for stingrays on a Florida beach; skinning eels with an upstate New Yorker who keeps an emu as company; and hunting mountain goats on the snow-covered cliffs of Alaska's Chugach Range.

Praised by reviewers for its lyrical prose and humor, *The Scavenger's Guide to Haute Cuisine* is a narrative that opens up a deeper understanding of the things we eat and our place in the natural world.
