## Writings of Saint Francis of Assisi Saint Francis of Assisi

The writings of St. Francis may, as is obvious, be considered from more than one point of view. Premising this, we are afforded a clue to the difficulty which has led students of Franciscan sources to divide themselves into two camps as to the objective value of these writings. Indeed, one writer goes so far as to compare the attitude of modern scholars toward them to that of the “Spiritual” and Conventual Friars respectively in the first century of Franciscan history.
