*It seems like a boring, innocent cookie jar, but it conceals the **naughty game** that has led this couple down a road to expanding their marriage. And now it's time to draw a new dare and see what happens next.*

It's been long enough since Lisa's last dare that she's desperately eager for some more fun. Victor refuses her relief, saying she'll have to get it through her dare. When she draws a challenging dare that will require another week to set up, she puts her foot down: "*Victor, I **need** some release. Surely there must be something I can do to earn my release. I drew my card!*"

Victor agrees to come up with a challenge for her: a trip to the shopping mall and a bit of dressing room fun, with one of his friends invited along. Lisa will be showed off and shared in a *very* public place. But will she be satisfied obeying Victor's rules?

**This is the fifth volume of Lisa's journey from slightly bored housewife to sexy and *daring hotwife*.**
