Encyclopedia of Conflicts since World War II

Encyclopedia of Conflicts since World War II

This copiously illustrated A-Z reference presents the most in-depth information available about the various conflicts the world has endured, local, regional, and international, since World War II. Some 142 conflicts are discussed and analyzed. The *Encyclopedia of Conflict since World War II*, with its coverage of all the countries of the world, fills a critical need for clear, comprehensive explanations of events not covered in such detail in any other reference source. Entries end with an extensive bibliography; and the encyclopedia includes maps, chronologies, and a general bibliography, as well as an index designed to make the reader understand the correlation and relationships between individual conflicts.
