Maya Angelou

His Day Is Done: A Nelson Mandela Tribute Maya Angelou

He was a son of Africa who became father to a nation and, for billions of people around the world, a beacon of hope, courage, and perseverance in the face of opposition. Now, acclaimed poet Maya Angelou honors the life and remarkable soul of Nelson Mandela, former president of South Africa and Nobel laureate.

In *His Day is Done*, Angelou delivers an authentically heartfelt and elegant tribute to Mandela, who stood as David to the mighty Goliath of Apartheid and who, after twenty-seven years of unjust imprisonment on the notorious Robben Island, emerged with “His stupendous heart intact / His gargantuan will / Hale and hearty” to lead his people into a new era.

This poignant work of gratitude and remembrance offers condolences to the resilient people of South Africa on the loss of their beloved “Madiba” and celebrates a man like no other, whose life and work changed the world.

Praise for *His Day Is Done*

“Moving and heartfelt.”—*The Washington Post*

“A powerful, gripping tribute.”—*NewsOne*

“[*His Day Is Done* captures] how many were feeling.”—*BBC News*
