The Next Always

The historic hotel in Boonsboro has endured war and peace, the changing of hands, and even rumored hauntings. Now it's getting a major face-lift from the Montgomery brothers and their eccentric mother. As the architect of the family, Beckett has little time for a social life. But there's another project he's got his eye on: the girl he's been waiting to kiss since he was sixteen.

After losing her husband and returning to her hometown, Clare Brewster soon settles into her life as the mother of three young sons while running the town's bookstore. Though busy, Clare is drawn across the street by Beckett's transformation of the old inn, wanting to take a closer look...at both the building and the man behind it.

With the grand opening inching closer, Beckett is happy to give Clare a private tour. It's no first date, but these stolen moments are the beginning of something that could arouse the secret yearning that resides in Clare's independent heart—and open the door to the extraordinary adventure of what comes next...

The Last Boyfriend

Owen is the organizer of the Montgomery clan, running the family's construction business with an iron fist—and an even less flexible spreadsheet. And though his brothers bust on his compulsive list-making, the Inn BoonsBoro is about to open right on schedule. The only thing Owen didn't plan for was Avery McTavish...

Avery's popular pizza place is right across the street from the inn, giving her a firsthand look at its amazing renovation—and a newfound appreciation for Owen. Since he was her first boyfriend when they were kids, Owen has never been far from Avery's thoughts. But the attraction she's feeling for him now is far from innocent.

As Avery and Owen cautiously take their relationship to another level, the opening of the inn gives the whole town of Boonsboro a reason to celebrate. But Owen's hard work has only begun. Getting Avery to let down her guard is going to take longer than he expected—and so will getting her to realize that her first boyfriend is going to be her last...

The Perfect Hope

Ryder is the hardest Montgomery brother to figure out—with a tough-as-nails outside and possibly nothing too soft underneath. He's surly and unsociable, but when he straps on a tool belt, no woman can resist his sexy swagger. Except apparently Hope Beaumont, the innkeeper of his own Inn BoonsBoro...

As the former manager of a D.C. hotel, Hope is used to excitement and glamour, but that doesn't mean she can't appreciate the joys of small-town living. She's where she wants to be—except for in her love life. Her only interaction with the opposite sex has been sparring with the infuriating Ryder, who always seems to get

under her skin. Still, no one can deny the electricity that crackles between them...a spark that ignited with a New Year's Eve kiss.

While the Inn is running smoothly, thanks to Hope's experience and unerring instincts, her big-city past is about to make an unwelcome—and embarrassing—appearance. Seeing Hope vulnerable stirs up Ryder's emotions and makes him realize that while Hope may not be perfect, she just might be perfect for him...
