The Right to Bear Arms: BBW Military Paranormal Romance (Wild Operatives Book 1) Vivienne Savage

Standalone romance with adult content, no cliffhanger.

After years of abuse, *Daniela Reyes* escapes her marriage to strike out on her own. With a rented house near the wilderness and a sexy neighbor down the road, life seems typical until she finds a black bear snoozing in her new hammock.

Despite warnings, she feeds her wild friend and watches him return day after day. Her bear is the ideal distraction from the ex who **won't** let her go.

Russell Hawkins has dedicated his entire life to **protecting** others. When the death of his wife drives him to retire from the Army, he settles in a remote community for the peace, quiet, and privacy to be himself. As a werebear, he roams the woods with his dog, the perfect diversion from his grief -- and the **voluptuous divorcee** down the lane.

Can a war vet with a secret and a woman with a painful past find their happy future together?

Author's Note: Be prepared for adult language and a sexy BBW heroine. All scenes are between consenting adults.

ATTENTION

This is a standalone, but each story will feature a different war hero.
