"Love", the proverbial word often tossed around yet clearly misunderstood. What is love? Is it that sick feeling one gets when they've encountered someone they're enamored with? Is it that rush that comes when you meet "the one"? How is love defined from a biblical perspective? Are there many different facets of love? What exactly is it? Is merely saying it enough? Is there only one true love? This book is designed to make the reader aware of what love really is and to make one think before idly tossing the word around. Its purpose is to dispel many myths that have been circulating throughout the years as to the true meaning of love. Regina provides in this book some of the different terminology used as it relates to love and provides the true definition of love from a biblical perspective, using scripture and humorous anecdotes clearly illustrating what is, and is not, love. Look for the trailer coming soon. This is one you don't want to miss!
