The Jesuits... like so many things in this world, they are not what they appear to be.

Here is the story of a family arrested because of the impatient actions of one Jesuit, whose indiscretion nearly unraveled the plot to destroy freedom and bring everyone under the control of the pope.

Read the fascinating history of the Jesuits, learned from their own writings.

See:

How they formed, and why

The true purpose of Jesuit schools and colleges

Their blind obedience to their superiors.

Read why we are surrounded with Jesuit-trained operatives who don't wear a priest's collar, and are thus invisible. See how they manipulate governments and foment wars, all for the greater glory of God.

By the end of the story, the reader will understand that he cannot put his complete trust in any church, religious leader, or anyone else for his eternity, because nothing is what it appears to be. He must place his faith in Jesus alone. The Lord Jesus will bring the only true peace the world will ever know.
