Little Books About Big Stuff: About God

Little Books About Big Stuff: About God

About God takes a complex and challenging religious concept and makes it accessible to children. Confronted with a scary experience, a group of kids learn from each other that it's okay to have different approaches to the idea of God. This story is followed by direct, honest and concise answers to questions children commonly ask about God, and short real-life vignettes that invite the reader to consider what, if anything, they would call God. This book follows About Death in the "Little Books About Big Stuff" series for kids. Hardcover book with beautiful, evocative watercolors throughout.
