The Living Room Robert Whitlow

Amy Clarke's dreams are coming true?and that's the problem.

Legal secretary by day, romance novelist by night, Amy Clarke lives with a precious secret. For years, she has traveled to a holy place in her dreams?a sublime place she calls the Living Room. When she awakes, her faith and energy are supernaturally restored. And when she dreams, she receives vibrant inspiration for her novels.

As she begins to write her third book, the nature of her dreams shifts. Gone are the literary signposts. Instead, her dreams are studded with scenes that foreshadow real life. Before long, the scenes begin to spill over into her waking hours too.

As Amy becomes entangled in a high stakes case at work, her visions take on a dark hue?implicating someone dear to her, causing her to question everything. And convincing her to trust someone with his own shadowy secrets.

Things are not always what they seem. But as fiction, dreams, and real life begin to overlap, Amy must stop dreaming and act to prevent tragedy.

“With deft sleight of hand, wonderful characterization, and carefully layered plots, Robert Whitlow has crafted a gripping story about the mysteries of God’s power to shelter the people he loves.”?Erin Healy, author of Afloat

From reader reviews:

Herbert Beckley:

The book The Living Room gives you the sense of being enjoy for your spare time. You need to use to make your capable far more increase. Book can for being your best friend when you getting strain or having big problem along with your subject. If you can make looking at a book The Living Room to become your habit, you can get more advantages, like add your own personal capable, increase your knowledge about a few or all subjects. You are able to know everything if you like open and read a publication The Living Room. Kinds of book are a lot of. It means that, science reserve or encyclopedia or other individuals. So , how do you think about this e-book?

Mary Torres:

As people who live in typically the modest era should be revise about what going on or data even knowledge to make these keep up with the era that is always change and move forward. Some of you maybe will probably update themselves by studying books. It is a good choice in your case but the problems coming to you actually is you don't know what type you should start with. This The Living Room is our recommendation to help you keep up with the world. Why, as this book serves what you want and need in this era.

Mary Jones:

The guide untitled The Living Room is the guide that recommended to you to learn. You can see the quality of the publication content that will be shown to an individual. The language that creator use to explained their way of doing something is easily to understand. The author was did a lot of study when write the book, hence the information that they share to you personally is absolutely accurate. You also can get the e-book of The Living Room from the publisher to make you far more enjoy free time.

Richard King:

Why? Because this The Living Room is an unordinary book that the inside of the guide waiting for you to snap the item but latter it will jolt you with the secret the idea inside. Reading this book close to it was fantastic author who else write the book in such amazing way makes the content within easier to understand, entertaining way but still convey the meaning totally. So , it is good for you for not hesitating having this anymore or you going to regret it. This book will give you a lot of positive aspects than the other book have such as help improving your ability and your critical thinking way. So , still want to hesitate having that book? If I were being you I will go to the reserve store hurriedly.
