Fools, Frauds and Firebrands: Thinkers of the New Left

Roger Scruton

Fools, Frauds and Firebrands: Thinkers of the New Left Roger Scruton

From one of the leading critics of leftist orientations comes a study of the thinkers who have most influenced the attitudes of the New Left. Beginning with a ruthless analysis of New Leftism and concluding with a critique of the key strands in its thinking, Roger Scruton conducts a reappraisal of such major left-wing thinkers as E. P. Thompson, Ronald Dworkin, R. D. Laing, Jurgen Habermas, Gyorgy Lukacs, Jean-Paul Sartre, Jacques Derrida, Slavoj Žižek, Ralph Milliband, and Eric Hobsbawm. In addition to assessments of these thinkers' philosophical and political contributions, the book contains a biographical and bibliographical section summarizing their careers and most important writings.

In *Fools, Frauds and Firebrands* Scruton asks, What does the Left look like today, and how has it evolved? He charts the transfer of grievances, from the working class to women, gays, and immigrants, asks what we can put in the place of radical egalitarianism, and what explains the continued dominance of antinomian attitudes in the intellectual world. Can there be any foundation for resistance to the leftist agenda without religious faith?

Writing with great clarity, Scruton delivers a devastating critique of modern left-wing thinking.

Paul Day:

As a student exactly feel bored to help reading. If their teacher inquired them to go to the library or even make summary for some e-book, they are complained. Just little students that has reading's soul or real their hobby. They just do what the educator want, like asked to go to the library. They go to right now there but nothing reading critically. Any students feel that reading is not important, boring and can't see colorful pictures on there. Yeah, it is for being complicated. Book is very important for yourself. As we know that on this period of time, many ways to get whatever we wish. Likewise word says, many ways to reach Chinese's country. Therefore this Fools, Frauds and Firebrands: Thinkers of the New Left can make you truly feel more interested to read.

Kathleen Bonds:
