Good Kings Bad Kings: A Novel Susan Nussbaum

Bellwether Award winner Susan Nussbaum's powerful novel invites us into the lives of a group of typical teenagers?alienated, funny, yearning for autonomy?except that they live in an institution for juveniles with disabilities. This unfamiliar, isolated landscape is much the same as the world outside: friendships are forged, trust is built, love affairs are kindled, and rules are broken. But those who call it home have little or no control over their fate. *Good Kings Bad Kings* challenges our definitions of what it means to be disabled in a story told with remarkable authenticity and in voices that resound with humor and spirit.
