Roses and Bones: Myths, Tales, and Secrets

Francesca Lia Block

Roses and Bones: Myths, Tales, and Secrets Francesca Lia Block

Francesca Lia Block, critically acclaimed author of *Weetzie Bat*, gathers together three of her most enchanting books into one volume. Retelling age-old fairytales and Classical myths, this collection captures the best Block has to offer: extravagantly imaginative tales, dark landscapes, fierce poetry, and storytelling that is nothing short of magical.

Psyche in a Dress is told in free verse. A contemporary retelling of several Greek myths rolled together, it is set in California in a world where Aphrodite owns a dress shop and Orpheus is a rock musician.

Echo is a prose reimagining of the stories of Echo and Narcissus. It stars a Hollywood girl who goes on a quest for love and along the way comes across angels, vampires, and fairies.

The Rose and the Beast is a collection of nine short stories which put a modern and original spin on fairytales such as Snow White, Thumbelina, Cinderella, Rose Red and Rose White, and others.

Roses and Bones was praised by VOYA as "a vivid and sensual ride." And each book in this evocative collection received multiple starred reviews, including one from *Kirkus* which proclaimed "Block uses language like a jeweled sword, glittering as it cuts to the heart."
