BOOK #1: STEPBROTHER ROMANCE: The Badass Mystery

Grace is a beautiful young woman with her own LA apartment. She's tried her hand at modeling and stripping, but her body has only gotten her so far. She needs more money for rent. In a fit of desperation, she follows her mother's advice and goes to see her stepbrother.

The thing is, she's never met him before. From what she's heard he was some kind of big, rich, guy at an investment firm. It wasn't the most ideal situation for her, but there could be a lot of money in it for her. So she takes the leap.

What she discovers is that her stepbrother Eric is super attractive. More than the few pictures she's seen had shown her. So instead of looking for a job, Grace is looking for something much, much more. These are new, unexplored areas of sexuality for her and it couldn't be more exciting for her. She wants nothing more than to feel Eric between her.

So when Eric says that they should get together for lunch in order to talk about her job offer, Grace finds her moment. All it takes is a little bump and Grace is able to seduce Eric for a night of pure passion.

BOOK #2: STEPBROTHER ROMANCE: Taboo Romance: Secretly in Love with Dr. Stepbrother

Andrea Miller has a secret. She's in love with her stepbrother. Dr. Darren Lawrence is everything a woman could want – handsome, kind, and, of course, a doctor. Andrea is none of those things, at least according to the guys who called her names in high school. She's too tall. Too big. For a long time, she thought she couldn't have anyone. Now she knows that Darren – her dazzling stepbrother – wants her the same way she's always wanted him. It was a revelation. A dream come true. And they're happy. But being together isn't easy. Their relationship breaks all the rules. Every moment they share is a stolen one. Every night they have together has a morning that comes too quickly. So they exist in the moment, taking what they can, and loving each other in secret.
