Joseph Fownes

The 18th century was a wealth of knowledge, exploration and rapidly growing technology and expanding record-keeping made possible by advances in the printing press. In its determination to preserve the century of revolution, Gale initiated a revolution of its own: digitization of epic proportions to preserve these invaluable works in the largest archive of its kind. Now for the first time these high-quality digital copies of original 18th century manuscripts are available in print, making them highly accessible to libraries, undergraduate students, and independent scholars.

The Age of Enlightenment profoundly enriched religious and philosophical understanding and continues to influence present-day thinking. Works collected here include masterpieces by David Hume, Immanuel Kant, and Jean-Jacques Rousseau, as well as religious sermons and moral debates on the issues of the day, such as the slave trade. The Age of Reason saw conflict between Protestantism and Catholicism transformed into one between faith and logic -- a debate that continues in the twenty-first century.

From reader reviews:

Paul Howard:

Why don't make it to be your habit? Right now, try to prepare your time to do the important behave, like looking for your favorite e-book and reading a book. Beside you can solve your condition; you can add your knowledge by the reserve entitled The connexion between the honour of princes, and the happiness of their people A sermon preached at Shrewsbury November 2 1760 on occasion of the ... the Second Published with some enlargements. Try to the actual book The connexion between the honour of princes, and the happiness of their people A sermon preached at Shrewsbury November 2 1760 on occasion of the ... the Second Published with some enlargements as your close friend. It means that it can for being your friend when you experience alone and beside those of course make you smarter than ever before. Yeah, it is very fortunated for you personally. The book makes you considerably more confidence because you can know every little thing by the book. So , let me make new experience as well as knowledge with this book.

Susan Arnold:

Precisely why? Because this The connexion between the honour of princes, and the happiness of their people A sermon preached at Shrewsbury November 2 1760 on occasion of the ... the Second Published with some enlargements is an unordinary book that the inside of the guide waiting for you to snap it but latter it will shock you with the secret the idea inside. Reading this book close to it was fantastic author who all write the book in such remarkable way makes the content inside of easier to understand, entertaining means but still convey the meaning fully. So , it is good for you for not hesitating having this any more or you going to regret it. This book will give you a lot of rewards than the other book get such as help improving your talent and your critical thinking approach. So , still want to hesitate having that book? If I ended up you I will go to the guide store hurriedly.

Kathi Adamo:

As a pupil exactly feel bored to help reading. If their teacher questioned them to go to the library in order to make summary for some publication, they are complained. Just tiny students that has reading's soul or real their hobby. They just do what the trainer want, like asked to go to the library. They go to generally there but nothing reading significantly. Any students feel that looking at is not important, boring and also can't see colorful images on there. Yeah, it is being complicated. Book is very important for you. As we know that on this period, many ways to get whatever we want. Likewise word says, ways to reach Chinese's country. So , this The connexion between the honour of princes, and the happiness of their people A sermon preached at Shrewsbury November 2 1760 on occasion of the ... the Second Published with some enlargements can make you feel more interested to read.

Dale Randolph:

Reserve is one of source of understanding. We can add our expertise from it. Not only for students but native or citizen require book to know the upgrade information of year to be able to year. As we know those books have many advantages. Beside many of us add our knowledge, can also bring us to around the world.
