Twenty years ago, Jerry Sittser lost his daughter, wife, and mother in a car accident. He chronicled that tragic experience in *A Grace Disguised*, a book that has become a classic on the topic of grief and loss.

Now he asks: How do we live meaningfully, even fruitfully, in this world and at the same time long for heaven? How do we respond to the paradox of being a new creature in Christ even though we don't always feel or act like one? How can we trust God is involved in our story when our circumstances seem to say he isn't?

While *A Grace Disguised* explored how the soul grows through loss, *A Grace Revealed* brings the story of Sittser's family full circle, revealing God's redeeming work in the midst of circumstances that could easily have destroyed them. As Sittser reminds us, our lives tell a good story after all. *A Grace Revealed* will help us understand and trust that God is writing a beautiful story in our own lives.
