I woke up at 5:55 with the words, Transmissions from Home! How it All Began — The California sun was still below the horizon, and after a long complex dream of being in someone else's house and realizing it was time for me to leave. I got up and went into my office to receive this transmission. I am ready for your transmission now. Would you please send me your message? Then I heard the words again, "Transmissions from Home." In my mind's eye I saw a man sitting at a desk looking like a newscaster. He was blond and had on a uniform, which I thought looked like the Uniform of a member of the Galactic Federation. His uniform was white and gold with an insignia over his heart. There were also golden adornments on his shoulders, and his collar was straight up, like a military uniform. In fact, it was a dress military uniform, but not from our military. After hearing twice that he had "Transmissions from Home," I turned on my computer, put my hands over the keyboard and prepared my consciousness for his message by saying, "I am ready for your transmission." I was surprised when the first message came from a female named, Mytria.
