This workbook on spiritual warfare is a foundational book that gives solid and practical steps to teach believers exactly how to do the things the Bible tells us to do concerning warfare and dealing with the enemy. The advice and explanations in this book are very specific with scriptural validation so there is no misunderstanding about what to do.

- \* Example Prayers that cover many different situations
- \* Explanations about binding and loosing and why it is so effective
- \* The power of your words and how to speak the word over your life or situation
- \* How to decree things according to the Word and see them happen
- \* Why your identity in Christ is so very important
- \* and much, much more....

This workbook was created as a 6 week study so that those studying spiritual warfare would have a solid background and understanding from which to engage the enemy. The topics covered are all relevant to everyday life and the issue we all face, such as... personal holiness, forgiveness, taking back our families, releasing people from demonic control and praying effectively for people who are at a distance.

If you are new to this fight you will become well equipped. If you are already involved, you will become better prepared. If you have ever read a book on spiritual warfare but still wondered "How do I start/" This book is for you.
