A sweeping novel taking place on three continents. A story of the impact of war on young love, set in a time of cultural upheaval in America. Whit Nelson and Claire Scotty McBride, college sweethearts caught up in an era that was not kind to young lovers. 1960 s America was a time of draft boards and riots, war and protest. This is a love story, told against the backdrop of that time, and of two tortured souls seeking a path to redemption, and the way they were. Its strong visualizations read like a movie script.
