Restoring Humanity Eileen McMahon

In 'Restoring Humanity' lawyer and healer Eileen McMahon asserts that we are witnessing the birth of a new world. She predicts that the old systems and structures will give way so that new ways can come in. Eileen tells her life story and how it is that she came to be both a lawyer and a healer. She describes the spiritual treatments she now uses to heal people who suffered childhood abuse in Ireland. Eileen describes how she became determined to find healing solutions after seeing how war veterans felt that they were thrown onto the scrapheap. Most people don't realise that the land also needs healing if countries with a scarred past are to move on. Eileen explains how she has been called to heal a number of sites and to bring in the New Christ Consciousness. She gives examples of ways in which she has worked with the Angelic Realm particularly Thoth, Archangel Metatron and Archangel Gabriel. 'Restoring Humanity' illustrates the sacred and restorative work that light workers on the Earth are being called to do at this unprecedented time in human history.
