The Wizard's Apprentice Jackie French Koller

CAN THEY ALL SURVIVE?

Princess Arenelle has done what no other girl in the history of Eldearth has done! She has completed the Quest to become the next Imperial Wizard, Keeper of the Light that protects Eldearth from Evil. Soon she will be apprenticed to the current Keeper, and her training will begin.

Or will it? When Arenelle's father, King Einar, discovers that he has a long lost son, the King has a change of heart, forbidding Nell to proceed. The boy *must* be the Chosen One, the King decrees. It is he who should become Apprentice. Nell is in turn outraged and bewildered by this turn of events, all the more so when she discovers that her long lost brother is Owen, the very same street urchin she discovered in the Lanes and sent off to Witch Academy to pose as herself.

In this continuation of The Keeper's saga, Nell defies the King and decides to pursue the Wizardry anyway, but when her brother falls into the hands of the Dark Forces and her father sets off on a dangerous rescue mission, all else is forgotten and Nell embarks on a rescue mission of her own. Can Nell unravel the puzzle of the dark, mysterious forces that seek to prevent her -- or her brother -- from becoming the next Keeper?

From reader reviews:

Martin Adams:

Book is usually written, printed, or created for everything. You can know everything you want by a e-book. Book has a different type. As you may know that book is important matter to bring us around the world. Adjacent to that you can your reading expertise was fluently. A book The Wizard's Apprentice will make you to end up being smarter. You can feel much more confidence if you can know about almost everything. But some of you think that open or reading the book make you bored. It's not make you fun. Why they could be thought like that? Have you seeking best book or suited book with you?

Scott Ridgway:

In this 21st hundred years, people become competitive in most way. By being competitive at this point, people have do something to make these people survives, being in the middle of typically the crowded place and notice by simply surrounding. One thing that occasionally many people have underestimated this for a while is reading. That's why, by reading a book your ability to survive boost then having chance to stand up than other is high. For you personally who want to start reading a book, we give you this The Wizard's Apprentice book as beginner and daily reading guide. Why, because this book is more than just a book.

Myrtie Hammond:

As we know that book is significant thing to add our information for everything. By a publication we can know everything we would like. A book is a group of written, printed, illustrated or blank sheet. Every year ended up being exactly added. This e-book The Wizard's Apprentice was filled in relation to science. Spend your spare time to add your knowledge about your scientific research competence. Some people has several feel when they reading a book. If you know how big selling point of a book, you can experience enjoy to read a reserve. In the modern era like at this point, many ways to get book that you simply wanted.

Bryan Lewis:

What is your hobby? Have you heard that will question when you got scholars? We believe that that question was given by teacher to the students. Many kinds of hobby, Everyone has different hobby. And you also know that little person similar to reading or as reading through become their hobby. You need to know that reading is very important and also book as to be the point. Book is important thing to incorporate you knowledge, except your teacher or lecturer. You see good news or update regarding something by book. Many kinds of books that can you take to be your object. One of them is The Wizard's Apprentice.
