Human, All Too Human: A Book for Free Spirits, Revised Edition

Friedrich Nietzsche

Human, All Too Human: A Book for Free Spirits, Revised Edition Friedrich Nietzsche

This English translation—the first since 1909—restores *Human, All Too Human* to its proper central position in the Nietzsche canon. First published in 1878, the book marks the philosophical coming of age of Friedrich Nietzsche. In it he rejects the romanticism of his early work, influenced by Wagner and Schopenhauer, and looks to enlightened reason and science. The "Free Spirit" enters, untrammelled by all accepted conventions, a precursor of Zarathustra. The result is 638 stunning aphorisms about everything under and above the sun.
