## **Stay Strong Stay Safe, My Son** Debi Callies

This is my story of what it was like as a mother sending a son to war. It is my sincere hope that in sharing my story and private thoughts, other mothers faced with sending a son or daughter to war, will accept they are in for some tough days and nights ahead of them. The war will not only change their son but will change them as well. We cannot go back to who we once were. Instead, we must move ahead, with a new found strength and wisdom, knowing that if we can survive the heartache of sending a son or daughter to war, we can survive almost anything. Stay Proud.
