## Twice Shy (Northstar Romances Book 6) Suzie O'Connell

It has been nearly five years since Aaron Hammond's wife died in his arms and left him to raise their young daughter alone. Besieged by guilt and grief over her death, he has nearly given up hope of ever finding happiness again... until photographer Skye Hathaway shows up in Northstar. She isn't looking for love, however. She's on an extended vacation to put some time and distance between her and her soon-to-be ex-husband. Aaron's daughter, Jessie, decides to take matters into her own hands and forces Aaron and Skye to introduce themselves. The sparks fly, but only time will tell if Skye and Aaron will be able to move past their painful memories, and with Skye in Northstar for only a few weeks, time is something they don't have in abundance.

*The Hammond brothers will tug on your emotions as they show family is all you need in Suzie O'Connell's cozy, heartfelt contemporary romance series set in Northstar, Montana, where friendship, family, and love are as bountiful as the fresh mountain air.*
