## **Age of Reptiles Omnibus, Vol. 1** Ricardo Delgado

When Ricardo Delgado—a prolific development and storyboard artist who has worked on such hit films as *Men in Black*, *The Incredibles*, *WALL-E*, *X-Men Origins: Wolverine*, and the *Matrix* series—first set his sights on creating comics, he crafted an epic tale about the most unlikely cast of characters: dinosaurs. Since that first foray into the world of sequential art—which earned him an Eisner win for Talent Deserving of Wider Recognition—he has returned to his critically acclaimed *Age of Reptiles* again and again, each time crafting a captivating saga about his saurian subjects.

\* This volume collects the long—out—of—print *Age of Reptiles* and *Age of Reptiles: The Hunt*, and the never—before—collected third series, *Age of Reptiles: The Journey*.

"Delgado once more proves that the age of great illustration is alive and well."

—John Landis, Filmmaker, *An American Werewolf in London*, Michael Jackson's *Thriller*
