Album of Dogs Marguerite Henry

This artful collection of canine companions from Newbery Medalist Marguerite Henry is majestically illustrated and makes a great gift for dog lovers of all ages.

Marguerite Henry may be best known for her stories about horses, but she loved all animals. In this delightful book, she wrote about the origins of twenty-five different types and breeds. Ranging from the Bulldog to the Cocker Spaniel to Labradors and Chihuahuas, there's something for every dog lover to enjoy. Each description is paired with a full-color illustration by Wesley Dennis.

This treasury of canines from Newbery Award-winning author Marguerite Henry features the original text and illustrations in a gorgeous collectible hardcover edition.

From reader reviews:

William Deck:

As people who live in typically the modest era should be upgrade about what going on or details even knowledge to make these keep up with the era which is always change and advance. Some of you maybe will update themselves by reading books. It is a good choice to suit your needs but the problems coming to anyone is you don't know what type you should start with. This Album of Dogs is our recommendation so you keep up with the world. Why, since this book serves what you want and need in this era.

Carolyn Lutz:

Often the book Album of Dogs has a lot details on it. So when you read this book you can get a lot of help. The book was authored by the very famous author. The author makes some research before write this book. This kind of book very easy to read you may get the point easily after reading this book.

John Casteel:

This Album of Dogs is great publication for you because the content which can be full of information for you who have always deal with world and still have to make decision every minute. This particular book reveal it data accurately using great plan word or we can state no rambling sentences in it. So if you are read the item hurriedly you can have whole facts in it. Doesn't mean it only offers you straight forward sentences but tricky core information with lovely delivering sentences. Having Album of Dogs in your hand like having the world in your arm, facts in it is not ridiculous one particular. We can say that no publication that offer you world within ten or fifteen small right but this book already do that. So , this really is good reading book. Heya Mr. and Mrs. busy do you still doubt in which?

Bruce Davis:

As a pupil exactly feel bored to help reading. If their teacher requested them to go to the library or even make summary for some reserve, they are complained. Just small students that has reading's soul or real their passion. They just do what the trainer want, like asked to the library. They go to there but nothing reading significantly. Any students feel that examining is not important, boring along with can't see colorful pics on there. Yeah, it is to become complicated. Book is very important to suit your needs. As we know that on this time, many ways to get whatever you want. Likewise word says, many ways to reach Chinese's country. Therefore this Album of Dogs can make you feel more interested to read.
