Change Your Life!

Nobody knows for certain why we dream but we all dream every night. It is the belief of experts that dreams unlock the hidden part of ourselves and reveal our secret wishes and desires. By paying attention to our dreams and interpreting dreams we can gain greater self-knowledge and lead better, more fulfilled lives. In addition dreams give us access to areas of the mind that have immediate intuitive knowledge of the past, present and future.

Experts have known this for years. Experts like Sigmund Freud. He once said:

“Dreams...are not meaningless...they are a completely valid psychological phenomenon, the fulfillment of wishes...constructed through highly complicated intellectual activity.”

Noted psychologist Carl Jung, a protege of Freud was also an expert on dreams.

He said: “Dreams are the main source for all our knowledge about symbolism.”

Noted paranormal expert, Edgar Cayce, often saw prophetic images in his own dreams. He was able to guide countless numbers of people to their true destiny just by interpreting their dreams according to what he himself saw.

He said: "Dreams, visions, impressions...are the presentations of the experiences necessary for...development, if the (person) would apply them in the physical life.”
