The book is packed with simple, yet thought-provoking wisdom in the form of short statements, upon which she briefly expounds, as well as her own heartfelt poetry.

The author's words of wisdom have something for everyone. Through them, she reveals her genuine concern for others and the state of the world. She implores the reader to think more about how they treat others and to make choices that move them forward, on a positive path, by assessing their own actions and behavior.

The poetry in this book is truly original. You are sure to be moved by the author's words on love, compassion, kindness, and even death and dying, as they relate to an open mind and heart.
