Sight Shot (An Imogene Museum Mystery Book 3) Jerusha Jones

When asked to research old documents for a local family, Meredith Morehouse, curator of the eclectic Imogene Museum, jumps at the chance. As if she didn't already have enough to do. She's trying to hire a new gift shop manager while also keeping tabs on Rupert Hagg, the eccentric museum director who is remarkably blind to the wiles of a persistent, gold-digging newcomer. And she still needs to find time to see Pete Sills, the hardworking tugboat captain she's just started dating.

Then Meredith's research unearths hints that a decade-old suicide might not have been suicide after all. So many secrets in the small, riverside town of Platts Landing, Washington. Will someone kill again to hide the truth?

Revised edition: This edition of *Sight Shot* includes editorial revisions.
