The Driftless Area: A Novel Tom Drury

The new novel from the award-winning author of *The End of Vandalism* is a wry and sophisticated heist drama. Set in the rugged region of the Midwest that gives the novel its title, *The Driftless Area* is the story of Pierre Hunter, a young bartender with unfailing optimism, a fondness for coin tricks, and an uncanny capacity for finding trouble. When he falls in love, with the mysterious and isolated Stella Rosmarin, Pierre becomes the central player in a revenge drama he must unravel and bring to its shocking conclusion. Along the way he will liberate \$77,000 from a murderous thief, summon the resources that have eluded him all his life, and come to question the very meaning of chance and mortality. For nothing is as it seems in *The Driftless Area*. Identities shift, violent secrets lie in wait, the future can cause the past, and love becomes a mission that can take you beyond this world. In its tender, cool irony, *The Driftless Area* recalls the best of noir, and its cast of bona fide small-town eccentrics adrift in the American Midwest make for a clever and deeply pleasurable read from one of our most beloved authors.
