## **The Price of Salt** Patricia Highsmith

The Price of Salt (1952) is a romance novel by Patricia Highsmith, written under the pseudonym Claire Morgan. The author – known as a suspense writer following the publication of her previous book, Strangers on a Train – became notorious due to the story's latent lesbian content and happy ending, the latter having been unprecedented in homosexual fiction. The Price of Salt was an inspiration for Nabokov's Lolita.
