Davis: Blood Brotherhood Kathi S. Barton

Vicki Carver had seen all the carnage from what appeared to be some kind of battle and just stopped long enough to see if the big man was alive or dead like the rest of them. That large broadsword in his hand had her keep her distance. Pitching a pebble or two at his face should arouse him if he was indeed still alive. Davis Brown was thoroughly exhausted, but he couldn't ignore the small stones pelting his face. If it was more malefactors to fight he'd just have to let them do him in. He was too tired to fight again so soon. To his surprise it was a woman?not just any woman?but a feisty vixen who was not only beautiful but could see the malefactors. That meant that she was either magical or one of them?a warrior?his mate....

Vicki had her own demons to battle and to be thrown into a mystical battle with Rembrandt's warriors to save their world from being overrun by malefactors wasn't anything she had planned for, much less this mate business. Who did he think he was anyway? But she couldn't seem to resist the hot, sexy man that brought her to the compound....
