How to Co-Teach: A Guide for General and Special Educators

Elizabeth Potts Ph.D., Lori Howard Ph.D.

How to Co-Teach: A Guide for General and Special Educators Elizabeth Potts Ph.D., Lori Howard Ph.D. What does good co-teaching look like in an inclusive classroom, and how can a general and special educator build a strong, respectful, and productive partnership? Find out in this introductory how-to guide, ideal for helping current and future co-teachers minimize conflict, maximize teamwork, and ensure the best outcomes for all students in Grades K–12.

Perfect for use in professional development and university courses, *How to Co-Teach* directly addresses the five principles of developing an effective teaching partnership: respecting perspectives, practicing communication, focusing on classroom teaching, building student success, and improving and reflecting on relationships. More comprehensive and practical than other co-teaching guides, this book

- **reinforces key points with DVD clips.** Learn invaluable lessons from real-life co-teachers and administrators as they reflect on what worked and didn't work in their classrooms. An engaging sample lesson shows effective co-teaching in action, and the DVD Guide gives teachers challenging questions to spark productive discussion.
- **addresses both teachers in the partnership.** Special and general educators will get insights and guidance tailored to their specific roles, and they'll discover how their strengths can combine to ensure positive student experiences and outcomes.
- **tackles the day-to-day challenges every co-teacher faces,** from conflict resolution to time management.
- **has the practical materials educators need.** Co-teaching is easier with the included forms and tools, including a planning checklist, problem-solving worksheet, lesson plan organizer, co-teaching self-assessment, and sample instruction schedules.
- **spans K–12,** with in-depth, age-appropriate guidelines for co-teaching at different grade levels.

Teachers will also get a helpful **Reader's Guide**, perfect for either group study or individual use. This chapter-by-chapter guide gives teachers *Thought Questions* that help them brainstorm ways to put key ideas to work in their own classrooms, plus Practice activities that outline ready-to-use implementation strategies.

Whether educators are just starting their co-teaching adventure or looking for ways to strengthen an existing partnership, they'll use this essential how-to guidebook to reach their ultimate goal: success for all students.

Co-teachers: get practical help with

- resolving conflict
- improving communication
- dividing responsibilities
- planning lessons
- managing time
- implementing accommodations and modifications
- setting up the classroom
- assessing the success of co-teaching
- holding joint conferences with parents
- getting support from administrators
- and more!
