My Journey to the Soul (Volume 1) Vivianne Lafrance

You are a defined example of yourself only to you and not to anyone else. As a picture of your soul unfolds you will begin to understand that you have been this soul forevermore already and that it continues to rise above every boundary it is given. You and your soul are sharing every step of the journey to understanding this soul of yours. I am ready to begin to play out for you what it is that you have seen in the past but have forgotten. This is my journey to the soul that I am. It is a benevolent journal of all that I have experienced in my own understanding of the soul in this lifetime. I will now share my soul's reality with you so that you may gauge your own soul's truths and therefore feel more comfortable about your soul's reality!
