A MYSTERIOUS FEATHER...AN ODD STRANGER...ANOTHER CHANCE?

Joe Daley's life is spiraling out of control. In more ways than one...

His dreams of WWII glory died along with his plans to serve his country. Fifteen years later, Joe Daley flies a crop duster and struggles through life, with his marriage to high-school-sweetheart Meg running on fumes.

Until one morning when Joe's daily routine turns into the ride of a lifetime as his beat-up biplane begins a heart-stopping spiral toward earth. What did he hit? An enormous bird? With the only evidence a long white feather, Joe embarks on a new odyssey.

When an old high-school suitor of Megs'--now the charming representative of a corporate farming enterprise--arrives in town, he offers better lives for everyone. Is this the opportunity Joe and Meg have been waiting for? Or a collision course with disaster?

A gripping story of lives turned upside down and dreams transformed into something beautiful and new...
