Ruckman's Bible References Dr. Peter S. Ruckman

Long before the Ruckman Reference Bible came out, Dr. Ruckman took the most important notes from his personal Bible, what he considered to be the salient passages in the scriptures, and placed them in this compendium. These are the "kernel" of Dr. Ruckman's notes on the essential verses a Bible student needs to retain his faith in the English text of the Authorized Version, to see how the Scriptures interpret themselves, to learn how the AV is able by itself to correct any error or false teaching, and to reinforce the great fundamental doctrines of the Christian faith with absolute truth. In a day of relative truths (i.e., the preferences and opinions of practical atheists), may you find this omnibus of absolute truth as found in the Holy Scriptures a joy.
