Sing Together: A Girl Scout Songbook (Third Edition)

Sing Together: A Girl Scout Songbook (Third Edition)

Girl Scouts love to sing. Whenever Girl Scouts get together in large groups or small, the common bond of singing together builds friendship and understanding, and provides an avenue for informal music education. Sing Together has been a Girl Scout favorite since the first edition in 1949. It has been used as a basic songbook by leader girls within the organization, and by group leaders and teachers outside the Girl Scout movement. In the 1973 edition we have updated the collection, retaining the old and loved favorites while broadening the variety of songs, musical styles, and forms of accompaniment. We have also tried to include songs from as many parts of the world as possible. The Continuation is by no means intended to be all inclusive, but to provide a basic selection of songs from which to build a lifelong love of music. We wish to thank the troops and councils who responded to our questionnaire and to express our gratitude to the girls and leaders who learned, sang, and evaluated the proposed new songs. Whenever possible, we have followed their suggestions.
