# The Golden Bough: A Study in Magic and Religion: A New Abridgement from the Second and Third Editions (Oxford World's Classics)

*James George Frazer*

## **The Golden Bough: A Study in Magic and Religion: A New Abridgement from the Second and Third Editions (Oxford World's Classics) James George Frazer**

A classic study of the beliefs and institutions of mankind, and the progress through magic and religion to scientific thought, *The Golden Bough* has a unique status in modern anthropology and literature.

First published in 1890, *The Golden Bough* was eventually issued in a twelve-volume edition (1906-15) which was abridged in 1922 by the author and his wife. That abridgement has never been reconsidered for a modern audience. In it some of the more controversial passages were dropped, including Frazer's daring speculations on the Crucifixion of Christ. For the first time this one-volume edition restores Frazer's bolder theories and sets them within the framework of a valuable introduction and notes. With new, modern packaging this new edition is a valuable classic to add to your bookshelf.

About the Series: For over 100 years **Oxford World's Classics** has made available the broadest spectrum of literature from around the globe. Each affordable volume reflects Oxford's commitment to scholarship, providing the most accurate text plus a wealth of other valuable features, including expert introductions by leading authorities, voluminous notes to clarify the text, up-to-date bibliographies for further study, and much more.
