Thirteen years in, Dylan's life so far, so not good. In the game-quest of Luurv the first level is nothing but questions. How to get Ashley, girl of his dreams, to see that he's more than a molecule in an ant's backpack inner pocket? How to conquer his fear of horses when she lives at a riding stable? And how to use the wisdom of Samurai legends and battle the curse of his genes? 'Cause after all, you can't run away from your genes. Especially when you're wearing them.
