Barron's AP U.S. Government and Politics Curt Lader

This manual's general review of U.S. government and politics is specifically focused to reflect the most-often-asked questions on recent Advanced Placement exams. Topics covered include Constitutional development, the branches and institutions of the federal government, political parties and processes, special interest groups, the media, bureaucracy, and public policy issues as they relate to the economy, the federal budget, social welfare, the environment and energy, and foreign policy and the national defense. Two full-length model exams follow the manual's subject review, and come with answer keys.
