Rain, Steam, and Speed: Building Fluency in Adolescent Writers Gerald Fleming, Meredith Pike-Baky

This book shows how adolescent students at all skill levels, including English learners, can be engaged in systematic writing practice, enabling them to communicate quickly, confidently, and thoughtfully on a variety of topics. In describing their innovative approach, the authors:

- Show how to introduce timed writing exercises to build fluency and thinking skills
- Provide 150 powerful writing prompts on provocative topics
- Offer strategies for enabling students to overcome writing blocks
- Include assessment, grading, and motivational guidance

The approach has been extensively tested by a master teacher, takes about one hour of instructional time per week, and can be used over an entire school year.
