The Queen of Last Hopes: The Story of Margaret of Anjou Susan Higginbotham

A man other than my husband sits on England's throne today.

What would happen if this king suddenly went mad? What would his queen do? Would she make the same mistakes I did, or would she learn from mine?

Margaret of Anjou, queen of England, cannot give up on her husband-even when he slips into insanity. And as mother to the House of Lancaster's last hope, she cannot give up on her son-even when England turns against them. This gripping tale of a queen forced to stand strong in the face of overwhelming odds is at its heart a tender tale of love.

Award-winning author Susan Higginbotham will once again ask readers to question everything they know about right and wrong, compassion and hope, duty to one's country and the desire of one's own heart.
