Tuberculosis MEDICAL REVIEW

TUBERCULOSIS

Last update: 8/19/12

You are a medical student, resident, nurse, or other healthcare professional who has been tasked with learning about and reviewing: TUBERCULOSIS

You may be a patient, or have a family member who was recently diagnosed with TUBERCULOSIS.

You need this information either for a board exam (eg. USMLE STEP 1 Exam, ABSITE, Internal Medicine Board Exam, Family Medicine Board Exam, etc) and/or to take care of patients. You need to know the associated eponyms, epidemiology, pathology, pathophysiology, pertinent history and physical exam findings, laboratory and radiologic workup, treatments, complications, and prognosis.

You also need specific multiple choice questions that test your knowledge on this topic and that will help you differentiate this topic from similar topics. You can find all of that information and more here.

This work will also be updated with relevant information from current journal articles and review books.
