Beneath the Stones Susan Coryell

Mystery, suspense and romance flourish against a backdrop of Civil War turmoil and ancestral strife--where immortality infiltrates the ancient air breathed by all who inhabit Overhome Estate. Ashby Overton has everything to look forward to, including a promising writing career and her wedding at summer's end. But, Overhome, her beloved historic family estate in Southern Virginia, is in financial peril and it is up to Ashby to find a solution. Interfering with Ashby's plans is a dark paranormal force that thwarts her every effort to save Overhome. Supernatural attacks emanate from an old stone cottage on the property rumored to be a slave overseer's abode, prior to the Civil War. As the violence escalates, Ashby begins to fear for her life. Who is this angry spirit and why is his fury focused on her?

From reader reviews:

Elizabeth Branch:

Here thing why this kind of Beneath the Stones are different and dependable to be yours. First of all examining a book is good however it depends in the content of computer which is the content is as delicious as food or not. Beneath the Stones giving you information deeper and in different ways, you can find any book out there but there is no e-book that similar with Beneath the Stones. It gives you thrill reading journey, its open up your own eyes about the thing this happened in the world which is possibly can be happened around you. It is possible to bring everywhere like in playground, café, or even in your approach home by train. Should you be having difficulties in bringing the branded book maybe the form of Beneath the Stones in e-book can be your alternate.

Florence Nguyen:

Information is provisions for those to get better life, information these days can get by anyone in everywhere. The information can be a knowledge or any news even restricted. What people must be consider whenever those information which is in the former life are hard to be find than now could be taking seriously which one is appropriate to believe or which one the resource are convinced. If you receive the unstable resource then you obtain it as your main information there will be huge disadvantage for you. All of those possibilities will not happen throughout you if you take Beneath the Stones as your daily resource information.

Roger Cooper:

The book Beneath the Stones has a lot details on it. So when you check out this book you can get a lot of gain. The book was published by the very famous author. The writer makes some research previous to write this book. That book very easy to read you can find the point easily after reading this article book.

Kirk Mathews:

Is it a person who having spare time after that spend it whole day simply by watching television programs or just lying on the bed? Do you need something new? This Beneath the Stones can be the response, oh how comes? It's a book you know. You are consequently out of date, spending your extra time by reading in this fresh era is common not a geek activity. So what these guides have than the others?
