Foundations of Pediatric Audiology

Fred H. Bess and Judith S. Gravel

Foundations of Pediatric Audiology Fred H. Bess and Judith S. Gravel

This book is a compilation of readings representing the basis for the practice of pediatric audiology. It contains forty-seven selected articles that are considered critical to understanding the fundamental principles in the field. Divided into five sections, the book covers the development of audition in infants, background information for current practice, test techniques and technology, and hearing loss in special populations. The readings in this book provide a foundation of knowledge that should be considered essential for anyone in the field of pediatric audiology.
