Horror Film Festivals and Awards Thomas M. Sipos

The rise of independent horror filmmaking has spurred a growth of "indie" horror film festivals, promising promotional and distribution opportunities for selected motion pictures. Some filmmakers spend thousands of dollars on festival entry fees, only to be rejected everywhere. What occurs behind the scenes at these events? More than two dozen festival directors discuss how they secure money, sponsors and screening venues, and how they promote and run their events, as well as their criteria for selecting films. This book will help horror filmmakers take fuller advantage of festival opportunities, and assist festival directors in founding and improving events. Included are listings of 200+ film festivals and awards--current, defunct and prospective--and of previous award winners, spanning six continents and several decades.
